

Carpinteria Sanitary District

JOB ANNOUNCEMENT

WASTEWATER TREATMENT PLANT OPERATOR IN TRAINING (OIT)

Salary Range: **\$44,844 to \$54,516** (annual DOQ)

The Carpinteria Sanitary District is seeking candidates to apply for a Wastewater Treatment Plant Operator in Training (OIT).

This is an excellent opportunity for an individual to start in a training position and work up the ranks through training and passage of the State Water Resource Control Board WWTP Operators certificate(s).

We are seeking a motivated, resourceful individual to train to monitor wastewater treatment plant processes, perform routine laboratory tests and a variety of duties in the cleaning, maintenance and operation of the wastewater treatment plant. This individual will participate in the District's Wastewater Treatment Plant Operator Trainee program or an equivalent combination of training and experience to qualify and obtain an Operator in Training Certificate, a Grade 1 Wastewater Treatment Plant Operators certificate within 18 months and a Grade 2 Wastewater Treatment Plant Operator Certification within 36 months from date of hire. Information can be obtained from the State of California Water Resource Control Board Office of Operator Certification, P.O. Box 944212 Sacramento, CA 94244-2120 Phone: (916) 341-5819 Fax: (916) 341-5734 Email: OpCertProgram@waterboards.ca.gov

Website: http://www.waterboards.ca.gov/water_issues/programs/operator_certification/

The Carpinteria Sanitary District requires the following for this position:

- Possession of a valid California driver's license
- High school diploma or GED

Qualified candidates should complete a District application and forward it to: Carpinteria Sanitary District, Attn: Office Manager, 5300 Sixth St., Carpinteria, CA 93013 or by fax 805-684-7213 by Friday February 24, 2012. Applications are available at the District office or by visiting www.CarpSan.com. All application materials will be evaluated and the most highly qualified candidates will be invited to continue in the selection process.
